GLOBAL CROSSING LTD. AND GC ACQUISITION LIMITED FILE June 30, 2003 AMENDMENT TO APPLICATIONS

IB DOCKET NO. 02-286

Petition Date: August 1, 2003

Opposition Date: August 11, 2003

Reply Date: August 18, 2003

On June 30, 2003, Global Crossing Ltd. (Debtor-in-Possession) ("Global Crossing") and GC Acquisition Limited ("New GX" and together with Global Crossing, the "Applicants") filed an amendment to their August 22, 2002 applications, seeking to transfer control of Equal Access Networks LLC (Debtor-in-Possession), and the common carrier radio licenses it holds, to New GX.¹ Applicants also request that their petition for declaratory ruling be modified to permit Equal Access Networks LLC (Debtor-in-Possession) to have the foreign ownership described in the May 13, 2003 amendment to the applications.² By this notice we are providing a comment period on the June 30, 2003 amendment.

We find, upon initial review, that the June 30, 2003 amendment to the applications is acceptable for filing. The Commission reserves the right to return any application if, upon further examination, it is determined to be defective and not in conformance with the Commission's rules or policies.

¹ See ULS File No. 0001366194 relating to the common carrier point-to-point microwave licenses listed at 2 n.3 of the June 30 amendment.

² The August 22, 2002 applications, as amended by the February 13, 2003 amendment, see DA 03-465, released February 20, 2003, the May 13, 2003 amendment, see DA 03-1724, released May 16, 2003, and the June 30, 2003 amendment, seek Commission consent to transfer control of Global Crossing's FCC-licensed subsidiaries from Global Crossing to New GX. The amended applications also contemplate that Singapore Technologies Telemedia Pte. Ltd. ("ST Telemedia"), a Singapore company, would control New GX and its subsidiaries through an indirect 61.5% ownership interest in New GX, and thus Applicants request a declaratory ruling that ST Telemedia's indirect ownership and control of Global Crossing North American Networks, Inc. (Debtor-in-Possession) and Equal Access Networks LLC (Debtor-in-Possession), the Title III licensees, would be in the public interest under section 310(b)(4) of the Communications Act.

All filings concerning matters referenced in this Public Notice should refer to **IB Docket No. 02-286** as well as to the specific file numbers that are a part of the June 30, 2003 amendment.
